MISSION'S 8TH Annual ARTS & EATS FESTIVAL

AND

BATTLE OF THE BRISKET

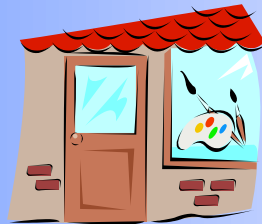

“Mission Remembers”

Sponsored by Time Warner Cable

Do we have the venue for you? Want to display your artistic abilities? Sell brats, hamburgers, margaritas or cat fish to hungry attendees? Do you think your BBQ is the best in the west? Or do you just want to spend a lovely week-end just enjoying our fair City of Mission?

This year, along with our nation, we will be honoring the 10th anniversary of 9-11, so to all of the first responders and Veterans who reside or work in the Northeast area, you will be our guests at a BBQ “Mission Remembers” lunch on Saturday while enjoying the sounds of the Olathe Civic Jazz band as they play some of your favorite patriotic songs. If you would like more information or know someone who would enjoy this program, please email Suzie Gibbs at sgibbs@missionks.org or call 913-671-8564.

Contact Suzie if you would like to sponsor the luncheon.

MISSION ART WALK

Would you like to stroll around Mission while enjoying art? The Mission Merchants Association will host its first “Mission Art Walk”, a festival-style celebration of community and creativity in downtown Mission, Friday, July 8th, 6:00—10:00 p.m. on Woodson between Martway and Johnson Drive.

Area residents are invited to view art by local artists while listening to live music by Midnight Station. Along with a chalk art competition, local restaurants will be selling food and drink to make your evening complete. Admission is free and open to the public. Artists interested in participating should contact Sharon Miller of Art Glass Productions (Sharon@artglasspro.com) to register, or if you are interested in bringing your fine cuisine to this event, please contact Penny at Vala Gallery.

CONGRATULATIONS TO CAPITOL FEDERAL MISSION BRANCH

The Capstone Award, presented by the Kansas City Business Journal, honors outstanding real estate development projects and transactions throughout the Kansas City area. The project's aim is to look beyond the dollar figure and square footages and consider how these projects are shaping the community in which they preside. The bank was able to carry its brand and also meet the city's goals to enhance the area. VanHecke, associate principal at WDM said it was a nice blend of all those pieces.

Congratulations to Capitol Federal of Mission. Of Mission.

The **Pearl Harbors Association** unveiled a metal relic from the **USS Arizona** in a ceremony in the Pearl Harbor Park. This relic was recovered from the superstructure of the USS Arizona sunk at Pearl Harbor and donated by the National Park Service to the local PSHA chapter. If you haven't seen this, take time to stop by and look at this wonderful piece of history.
