## CASH OR CANS

**Help us help others!** For the 4th year, the Mission Convention & Visitor's Bureau and the City of Mission will be providing Thanksgiving baskets to 24 families in Mission and the Northeast area.

Donations of canned goods, non-perishable items, cash or gift cards may be dropped off at Mission City Hall or the Sylvester Powell, Jr., Community Center beginning today through December 18th, or we encourage you to place a box in your business & ask your employees to bring items to fill your box. We will be happy to pick up your donations on Thursday, November 19th for the Thanksgiving baskets. Any questions or need a pick up, just give Suzie a call, 913-671-8564.

**Brill Eye Center** recently announced that they would be running a special offer in November to benefit not only their customers but the MCVB's "Cash and Cans" food drive. On November 16th from 3-7 p.m., Brill Eye Center will be hosting an open house where anyone who brings in 3 non-perishable food items and has a purchase totaling \$50 or more will save \$10. Brill Eye Center will also donate \$10 to the "Cash and Cans" program. Brill Eye Center is located at 5820 Lamar, Suite 100. For more information on their special promotion, please contact Lori at (913) 432-7676.

After December 1st, we will have a list of families to adopt for the holidays – so gather together your co-workers and call us for a family. In 2008, we distributed gifts, food and gift cards to 12 families; delivering these items was the highlight of the month. Many tears were shed, and many hardship stories were shared. Help us by being a part of this holiday tradition. Call Suzie Gibbs for more information at 913-671-8564.

It was a perfect weekend. Mission was alive with the great aroma of BBQ while the residents were enjoying cat fish, brats, Mexican cuisine, Philly steak sandwiches – to mention a few; dancing/ swaying on the grass to great bands until 11:00 p.m.; applauding the youth of our community as they performed on Saturday; and purchasing chairs and artifacts to take back home. Where else could you have so much fun and see your neighbors/business friends that you haven't seen in a long time, while supporting the friendliest city around - Mission?

With your help & participation, we had a wonderful ARTS & EATS - Thank you!

### MISSION SETS RECORD FOR "LARGEST PAINTING MADE WITH FOOTPRINTS"

The Guinness World record event was a tremendous success! We succeeded in setting the record for the world's "Largest Painting Made with Footprints" on September 18, 2009. The finished painting was over 5,181 square feet and contained approximately 25,000 footprints! A very large "footprint thanks" to all who contributed to this event. **A special thanks to Geneva Roth Ventures Inc.**, 6950 West 56th Street for collecting the most shoes and to **Trinity Lutheran Church** for the many in-kind donations (including their parking lot) to this worthwhile charity.
